

TREATMENT

CONNECTION

DISTRIBUTION

Air treatment units **ALTO**

ALTO MAX

Gauges

Sub-micron filter **MICRO AIR**

ALTITUDE and ALASKA dryers

Drains, separators and condensate processing unit

Safety quick couplings **prevoS1**

Standard quick couplings **PROLAC**

prevoS1 couplings metal range passage 11

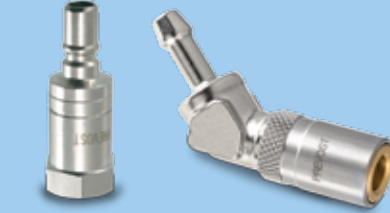

ELS couplings for water circuits

CPI quick couplings for cooling circuits (moulds)

PREOL quick couplings for fluids

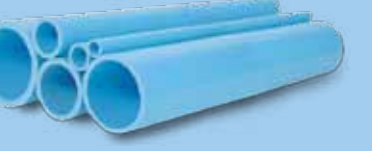

Hose reels

Aluminium piping range for compressed air network **ALR**

Composite alloy piping : PVR range

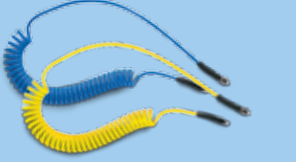

Hoses for compressed air and other fluids

Hose extensions fitted

Spirals

Ear and screw clamps

Connectors and connection accessories

Valves

Hydraulic quick couplings

ISOFLAM safety couplings for welding torches

Breathable air couplings BAC 07

Compression and olive fittings

Push-in fittings **CONEX:** polymer, metal, stainless ranges

Washing guns, paint spray guns

Blowguns **27102**

Balancers, energy boxes and suspension arms
